

LONGSPEE

'High Expectations Lead To High Achievers'

Year 7 Catch Up Funding 2018-19: Longspee Academy

Predicted Impact (In Year Report)

We will receive additional funding to support Year 7 pupils who did not achieve at least level 4 in reading or maths at the end of key stage 2, in the academic year 17/18.

Aim: to narrow any progress gaps for Year 7 pupils, in Reading and Maths

Outcome:

- Pupils will progress through personalised learning in English and Maths lessons
- Pupils will progress through learning interventions for Reading – Key Skills Focus sessions
- Pupils will progress through learning interventions for Maths –Key Skill Focus sessions
- All Yr7 pupils will meet their challenging targets in July 2018

Total Yr 7 pupils (this may vary over the year)	9
Predicted finding for 17/18 academic year	£3,900
Predicted spend at Longspee	£3,900

Strategy:

The identified Year 7 pupils will have the opportunity to close any learning gaps, by engaging in the activities identified below. The range of intervention offered, will allow for progress to be maximised:

Activity	Teaching and Learning focus	Impact	Duration	Cost
Maths and Reading Key Skills sessions	Building skills and learning approaches in Maths and Reading	100% of pupils will meet their challenging targets	September 2018-19	£1900
Personalised learning in English and Maths including 1:1 support from teacher and/or TA	To develop specific achievement gaps	Teacher and TAs support pupils receiving Year 7 Catch Up ensuring that 100% meet their challenging targets	September 2018-19	£2000
Total				£3,900
