Dear Parents and Carers

Coronavirus update: Distribution of Food Vouchers For Pupils Accessing Free School Meals

We have now organised for supermarket vouchers to be provided to all children who are eligible for Free School Meals (following application to BCP Council, and *not* for universal meals for Year 1 or Year 2 pupils). These vouchers are for two weeks: the weeks commencing 23rd March and 30th March 2020.

In due course, you should receive an email and/or text message to the address that we have on record for you, from a company called 'Wonde'. Please be aware that this email may be filtered into 'Junk'. The message will ask you to select a supermarket from the options listed. Once you have confirmed this, a voucher for the supermarket will be issued. Do not be concerned if this is not issued immediately as the system can take up to 48 hours to issue the final voucher. The vouchers do not need to be spent in one transaction.

Vouchers will not be issued over the next two weeks, as this would normally be the Easter holiday period. I shall communicate about how any future vouchers will be issued at the start of the scheduled new term.

I am sorry that it has taken some time to be able to provide you with this support, the processes and logistics involved have been especially complicated.

If you have not applied for Free School Meals and consider that you might be eligible, please apply through the BCP website:
